# Route 9 Corridor Proposal

- Getting Involved
- Providing Direction
- Supporting the Process
- Economic Opportunity

# Virtual Tours

- Getting Involved
- Supporting Innovation
- Ten New Routes

The screenshot displays the 'America's Byways' website interface. At the top, there's a navigation bar with links for 'Browse', 'Plan', 'Share', and 'Learn'. Below this, a search bar and a breadcrumb trail 'Home > Logan Canyon Scenic Byway' are visible. The main content area is titled 'Logan Canyon Scenic Byway' and features a 'Portraits in Time' section with a photograph of a canyon road. To the left, a sidebar contains links for 'Things to Know', 'Things To Do', 'Places to Eat', and 'Places to Stay'. To the right, another sidebar includes 'Drive the Byway', 'A Quick Trip', and 'Plan Your Trip' sections. The footer of the page mentions '© 12/01 Cache Valley Tourist Council'.
